Synopsis

Homosexuality has taken center stage in our nation, churches, and homes. Everyone knows or cares deeply for someone who experiences same-sex attraction, sexual confusion, or practices homosexuality. While the entire world talks about homosexuality, the subject remains taboo in many churches. The fear of being labeled as hateful, a bigot, or ignorant has kept many Christians out of the conversation. The church remains silent, leaving many people who love God confused about what the Bible really says about sexuality.Â Did God make people gay? Does God love homosexuals? Will people have to deal with same-sex attraction their entire lives? Landon Schott brings truth and clarity to sexual confusion, using over 400 scripture references to reveal the heart of the Father and mind of Christ.Â Gay Awareness exposes false teaching and deception that have created a false identity through the lens of sexuality instead of the eyes of Godâ ™s Word. Gay Awareness will stretch you and challenge you, but with relentless love bring you comfort and healing. In Gay Awareness: Discovering the Heart of the Father and the Mind of Christ, top-selling author and nationally known speaker Landon Schott addresses: Â â ¢ What the Bible actually says about marriage, sexuality, and homosexuality.Â â ¢ Mistakes the Church makes when addressing homosexuality and the gay community. â ¢ Contradictions between the gay lifestyle and the Christ-centered lifestyle.Â â ¢ Clear insight into how to genuinely show Christian love to those who practice homosexuality. â ¢ How people can experience deliverance and freedom. Featuring an extensive interview with highly respected authority Dr. Michael L. Brown, a multiple book best-selling author and expert on spiritual renewal and cultural reformation, Gay Awareness is the book youâ ™ve been looking for to find clarity, teach you what Scripture says about homosexuality and how to respond to people with love, grace, and truth.

Customer Reviews

First of all, I will at the very least commend Landon on writing a book that touches on such a difficult, divisive topic within the modern church.That being said, I could not in good conscience force myself to finish this book - and that's extremely rare (maybe unprecedented) for me. From the opening passage, the Christian Fundamentalist undertones are thick. Landon opens the book by using Katy Perry's "I Kissed a Girl" and Lady Gaga's "Born This Way" as easy scapegoats for the surge of LGBT support that has occurred within the last decade or more. In doing so, he also suggests (by implying that Lady Gaga is mistaken) that homosexuality has no biological factors - it is merely a conscious, intentional act of perversion (he goes on in later chapters to attack the scientific evidence that would suggest otherwise). This opening chapter is littered with past echoes of Fundamentalist doctrine that, as an example, proclaimed the actions of the Columbine shooters were a direct result of them listening to Marilyn Manson or that violence in young teenagers in the 1990s was a direct result of playing video games like Mortal Kombat (this is an old, repetitive, unfounded argument). While Landon doesn't use these examples personally in his book, his Katy Perry and Lady Gaga arguments are cut from the same cloth - the growing acceptance of some practice or viewpoint in our society is the direct result of pop culture warping the minds of America's youth.Despite my initial misgivings, I pressed onward hoping the book would depart from rhetoric and dogma and get to the deep exegetical arguments that would be far more convincing and substantive in "discovering the heart of the Father and the mind of Christ on sexuality.
