Ed Pinckney's Tales From The Villanova Hardwood

Synopsis

Take a bunch of nice kids, dump in gobs of fiery Italian seasoning, mix in copious measures of robust Augustinian teaching, and stir gently for four years. That's the winning recipe that transformed April Fool's Day 1985 into a feast for underdogs and everymen everywhere. March Madness maddened to the max that year with the crowning of perhaps the NCAA Tournament's most unlikely champion, the Villanova Wildcats. The most unlikely and perhaps the most liked team to ever win the championship, the Villanova kids won the nation over with courtesy and class more than jump shots and slam dunks. The NCAA final was supposed to be a slam dunk for Georgetown, the defending national champions. But Villanova never buckled under "Hoya Paranoia," the fear factor that paralyzed most Georgetown opponents in the John Thompson era. Paternal coach Rollie Massimino drilled commitment, loyalty, and honor into his "family" as much as Xs and Os. I've read lots of sport books. This might be the best-paced book ever. It's broken up into vignettes and profiles and stories - even some funny jokes. What Villanova did was a great achievement and this book brings it to life with just the right amount of history, humor, and fun.

Great Stories. Loved reading this wonderful tale about a fabulous run by the Wildcats to the Championship.
