Synopsis

For the first time, you can pray with a woman who has transformed the lives of millions around the world. This precious collection gives readers a chance to experience the personal, daily, spiritual practice of Mother Angelica. Seen by millions each day on the television network she founded, Mother Angelica is one of the most trusted and beloved religious figures of our time. Her words of wisdom about the spiritual life have been broadcast throughout the world on EWTN and have become New York Times bestselling books. For Mother the act of prayer is an unceasing daily conversation with the Divine—“one that has been a source of inspiration and solace for nearly seven decades. Now Mother Angelica shares a lifetime of her private prayers and devotions so that you can experience and utter the very words that have shaped her incredible life. This treasury of material, much of it never before published, includes:

- * A complete prayer journal composed during Mother’s personal dark night of the soul
- * Handwritten meditations offered to her sisters
- * Two moving versions of the Stations of the Cross composed for her community
- * Devotions and petitions from her early religious life

Throughout, Mother Angelica’s humor, warmth, and wisdom shine through. More than a collection of prayers, this special volume is an intimate portrait of one of the world’s great women of faith. For devoted fans of Mother Angelica as well as for those just coming to know her, this inspiring guide will be a cherished companion along each step of the path to holiness. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

I thought this book was very helpful and inspirational. It is so compact you can even take it to Church with you. Best of all, it is available on Kindle, so I ordered one as a gift and one for myself.

As always, Raymond Arroyo's captures the beauty of Mother Angelica's spiritual life. I found the book uplifting and I keep it close by so that I can open it to any page and be enriched by Mother's wisdom. I highly recommend the book to Catholics and non-Catholics alike!

If we want to become Catholics, we cannot do it on our own. We must follow in the footsteps of spiritual leaders before us. Why? Because any path we walk, they have walked before. They will be able to see pitfalls, we'd otherwise miss. Other ways we can learn from them is by imitating their prayer life. That is why today I am reviewing The Prayers and Personal Devotions of Mother Angelica. The book is approximately 200 pages long and is divided into three sections - private prayers, personal devotions, and meditations. In her private prayers, we see morning and nighttime prayers, but we also see pleas and prayers she prayed in difficult moments. In personal devotions, we see meditations on the Rosary, Divine Mercy Chaplet, and Stations of the Cross, but we also see devotions, she held close to her heart, like the Divine Child Jesus. The meditations section is the shortest of the three, and it contains very brief meditations on subjects of healing, pain, suffering, and love. We appreciate people more when they are gone than when they are here. And while, I doubt any American Catholic did not appreciate Mother Angelica while she was here with us, I think we can all step back now and see how far-reaching her touch really was. As with all the books that Raymond Arroyo has edited on Mother Angelica, this one shows not only her spirituality, but keeps her personality alive in it as well. Mother Angelica's biggest legacy will always be EWTN and the numerous archives of her programs, but these books will find their way into people's heart and homes and make an impact on their personal and spiritual lives.

This book is probably the deepest book on Mother Angelica. It covers her own personal prayers. This is information that I, a Mother Angelica groupie, had never heard about her. This book reveals even more about this saintly woman's soul.

I have come to admire this woman, and her prayers are so beautiful. I may have the same feelings but not the words for them as she. She is quite a prayer warrior and I am so glad to have purchased this book. I read it sometimes every day and sometimes not..you can just pick it up and find HOPE and REASSURANCE..

It feels a bit like having Mother sitting with you and guiding you. I'm not ordinarily a fan of prayer books because I try to speak (pray) personally and not in a formal manner, but Mother says it so well and not in a rigid or non-personal way. This book covers things that really guide you in positive directions, it opens my mind to thoughts that I need to work on and aspects of my life that need work that sadly I have overlooked.

This wonderful book is a must read for anyone looking for comfort from our troubled times.

I just love Mother Angelica. She is the "real deal". Her childhood was so unbelievably miserable but it taught her how to be an adult (mother) and to care for others selflessly and not to fear. God bless her!
