Synopsis

Lake Jones is a cover girl for cutting-edge prosthetic legs, a binge-watcher of Netflix, known to spy on her neighbor through her door's peephole, and fond of laser games with her hairless cat. She's also a bit sexually-frustrated. Until God bestows a breath of mercy upon her in the form of Minnesota's NFL starting quarterback. But this gift is no stranger. Lake met Cage Monaghan three years earlier. It was one day. One moment. One kiss that resurrected her dreams of finding love. His dimpled smile distracts from his imperfections, which include: a love for country music, fishing, and a feline-hating girlfriend. When life finally gives them their chance, it's a humorous and heart-wrenching journey to find their place in the world. "We would be Cage and Lake. We would be unpredictable. We would be reckless. We would give normality the middle finger."***This book is a standalone. However, it is HIGHLY recommended that any readers who have not, but may consider, reading the Jack & Jill Series, do so before reading this book. It contains spoilers to Jack & Jill.

Customer Reviews

Jewel E. Ann has outdone herself yet again. After reading the Jack & Jill series I didn't think it was

possible but she succeeded. One was spectacular!! I'm on cloud nine now! I'm so in love with these characters, not just Lake and Cage but everyone from the Jack & Jill series. Before reading One I strongly suggest that you read the Jack & Jill series. It's a must! Because of the story and the fabulous characters. You will love One even more. I sure as hell did. I fell in love with the characters all over again. It also made me appreciate Ann's brilliant mind. Her writing and storytelling is in a league of her own. Even the simplest words evoked so many emotions within me. It's incredible! I kept highlighting page after page. Her words were that addictive and magical. I felt hypnotized cause I wouldn't or couldn't take my eyes off the pages, afraid I would miss a word or a sentence. Lake and Cage's love story was nothing more than a masterpiece! They were phenomenal. I loved how Cage SAW Lake for her beauty, for who she was and not her disability. The same can be said for Lake. Cage was her one chance for love again and in her eyes he wasn't the big hot shot NFL star. They were just Lake and Cage. Their love was inspiring and so god damn beautiful. Their relationship was intense, romantic and funny as hell. I easily felt their chemistry when they first met in Dawn Of Forever. It was even more apparent in One, which only made me giddy as hell. I loved that it was told in both Lake and Cage's POV. Their love was intoxicating and all consuming. Every moment in this story was important and earth shattering. I appreciated and loved the references to when they first met. It also played a huge part in there relationship. Just genius!

I can't even begin to tell y'all how much I adore this author and her work. She puts her heart and soul into her characters and itâ™s evident in her writing. Most of the time I have my nose stuck in a book during my free time, but when this author sends me a book, you can rest assured I'm not getting anything else done until I finish the last page! Ooookkk- enough fan girling, let's get onto Cage and Lake! Cage and Lake meet by chance in Dawn of Forever, âœthat one moment, that one kiss, that one unforgettable day.â • They feel the mutual attraction. Cage wants to pursue it, but Lake knows that's not possible...too many dangerous circumstances keeping them apart. That doesn't stop Lake from Internet stalking this famous, sexy football player -- for three years, might I add. Lake was in a horrific car accident, she loses her leg below her knee and loses much more than that. She has to learn to live her life differently altogether. Life kinda stops for her for a while. She eventually puts it back together, with help from her amazing family. She doesn't let her disability define her, and becomes a covergirl for cutting-edge prosthetics. People respect her, look up to her. Her loyalty to those she loves is fierce. Not only is she intelligent, she's also caring and downright hilarious, as well as independent and confident. Took her a while to get there, but she got there and

isn't going to allow herself to be brought down. She is a true a survivor.Cageâ ¡.man, oh man that sexy private young beautiful athlete. He has never forgotten Lake and the impression she left on him. He's moved on with his life and is now a famous NFL quarterback. When he sees Lake for the first time in 3 years, he realizes beyond a shadow of a doubt he needs to know her.
