# Double Dare You: A Bedlam Butchers MC Romance

## Synopsis

Becka isn't the daring sort. She's a chemistry nerd on vacation from college. She certainly wasn't supposed to be stolen by a rival MC and sold as a plaything. Now, she needs a hero or two. Locke and Epic might be ride partners, but they're not yet friends. Epic is freshly patched and Locke's carrying a lot of baggage from the betrayal of his last partner. But when they're given a new task – "find Becka and bring her home" – the men have to work as a team to protect her. And, as the threesome spend time alone, they realize that not only are they better together, but that a few teasing dares just might bring them closer in a lot of sexy ways.

## Customer Reviews

Ok, our h Becka is kidnapped and sold into slavery ( but if her sisters town was soo dangerous and guys are going around impersonating bikers from you MC and you beloved lil sister know jack all about what goes on and who to trust to don't run off in an immature snit and leave her high and dry leaving her to guess who's safe!!!) Wrong sister got kidnapped for damn sure in my opinion, coz leaving her sister unsafe and clueless deserved that be punished... I really, really DID NOT like this book and I'm yet again ( tried reading the "shifter" series ) surprised that this the same writer as my

much beloved Barbarians ,ok Josie's story bit... Bit hard actually ( Josie was an awful selfish beyotch ) but honestly there was nothing to this story,no depth,no character development and all of them acted like they have the emotional maturity of 12-13 years,though honestly I met some kids recently this would be a big insult to ;( Locke the oldest at 32 doesn't seem to care about anything at 1st but wanting to what ever the club tells him to and wanting the get into his "partners" pants,supposedly their supposed to "go in together" but not in that way... Epic is kinda sweet and fun loving and wants to save all the girls kidnapped,Locke only Becka... Yeah there's your sweetheart their,poor young literally being branded as property ( and not the way a MC does it,with a REAL brand) and he just wants to do his job get Becka and think about the temptation that is Epic... Ugh! He doesn't get things exactly how he wants but everyone gets away and they hide out for month,doing nothing any real interest except the drunken voyeur that Becka like to be encourages things between the guys,yeah a woman bringing Twitter guys together... Lovely...
