Last Chance (Show Jumping Dreams ~ Book 6)

Synopsis

All Emily wanted was for her best friend to wake up from a coma but now that she has, nothing is the same. Mickey is giving up riding for good and even though her parents are considering selling Hampton to Jess, she won't change her mind. Meanwhile Emily has finally heard from renowned show jumper Miguel Rodriguez. After riding in his clinic, she's been waiting to hear if she made the junior jumper team but it seems that Miguel can't make up his mind. He's calling back the best riders to stay at Black Gate over spring break only this time they won't be allowed to bring their own horses. This time they'll ride whatever Miguel puts them on. But when Miguel gives Emily the rank new prospect to ride, she suspects that maybe he doesn't want her on the team after all. She can't make the pony jump, she won't canter without taking off and Emily needs to figure out how to ride her fast because this is her last chance to make the team. And how can she persuade her best friend not to give up on riding for good when she's not even around?

Customer Reviews

Claire Svendson has written a wonderful series of books called "Show Jumping Dreams". It's about a young girl and the horses she rides. And of course jumping! I believe all ages will enjoy this

book. I know I have and now after reading book #6 I can hardly wait for book #7!

What can i say? It's kind of like a train wreck. You cant stop reading. Something big happened during the story and it was over the top. I could see where it was going, but i didnt expect it to be as big as it was and it was a bit silly all the things that happened at one time. Also, the author seems to be turning Emily into sort of a horse whisperer by the way she seems able to understand problemed horses and help them through it. Was there anything I did like about it? Sure. The tension between Emily and Mickey, although we were told about a note Mickey wrote and there's some anger on her part towards Emily, but we don't know what the note said or why Mickey is so mad at Emily. I also finished this book in record time...24 hours..because i couldn't put it down.

I love these books! They take me back to my younger years of riding and remind me of how horse crazy I was at that age. I hope there will be several more books in this series.

Another great book in this series. Fewer spelling errors this time too! Wonderful storyline and, as always, filled with twists and turns that keep you guessing throughout the book.

This book is absolutely amazing. If you like horses this a book and series for you. It gives perfect description and you can really connect with the characters.

I gave it four stars because it was a good book for anyone who loves horse books, and it had a very good plot, I guess. Overall, it was an amazing book.

The previous book in the series was a 1, but now we're back to 5's. It had action, excitement, suspense and a good ending. Everything I would want.
