Minecraft Girl: A Minecraft Ghast Girl Diary (Minecraft Ghasts, Minecraft Diaries, Minecraft Books, Minecraft Books For Kids, Minecraft Stories, Minecraft Story, Minecraft Diary)

Synopsis

The diary of a Minecraft ghast girl Gloria has a way with the ghasts, and even though everyone in town assumed they were hostile and would attack you immediately, Gloria discovers otherwise. She heads to the forest and finds a group of fire spitting ghasts that are eager to involve her into their little community. Other dramatic events occur, and a war between huge spiders and the same group of ghasts is in the airâ | a battle that could end wellâ | or notâ | Read quickly to find out. Customer Reviews

I wrote about this game in other reviews - this game did not cause interest, but after my child started to play, I changed my mind. I read the book before I gave it to her just to make sure that I will be able to give them only the best and that the book is not that vulgar and it did not use language that may offend them or make them think of things. She will be really ecstatic about this. The only thing I did not like - this book is short, as many other

Very good and interesting story, for those who love the game Minecraft. This story is beautifully written, easy to read and contains events that are understandable for each child. My son loves Minecraft game, and he says that he likes this book. I want that my son like reading books, so I picked up this book for him. The story is short and informative and the children would read it with interest to the end.

As good as it gets, from series of events that happens in every kid's life to the series of events that are imaginary or fantasy type but really interesting because of excellent narration. Description of things like strange creatures and black hole are breathtaking and worth reading. Overall, a good read for all.

This is an interesting book for children. I purchased it for my kids and they love it. It is good that it is a short story and it keeps them busy the whole day. I like that it develops their imagination and at the same time it helps them read better.
