Survivor Pass (Redemption Mountain Historical Western Romance Book 5)

Synopsis

Survivor Pass, Book Five, Redemption Mountain Historical Western Romance Series

The Redemption Mountain series is as good as historical romance gets. Vivid settings, memorable characters, love, and lots at stake. Shirleen Davies knows how to bring the old west to life. You feel as if you've traveled, with the characters, to the frontier. I hope there will be more to come!

• Book Review

He thought he'd found a quiet life. Cash Coulter settled into a life far removed from his days of fighting for the South and crossing the country as a bounty hunter. Now a deputy sheriff, Cash wants nothing more than to buy some land, raise cattle, and build a simple life in the frontier town of Splendor, Montana. But his whole world shifts when his gaze lands on the most captivating woman he's ever seen. And the feeling appears to be mutual. But nothing is as it seems.

Alison McGrath moved from her home in Kentucky to the rugged mountains of Montana for one reason: to find the man responsible for murdering her brother. Despite using a false identity to avoid any tie to her brother's name, the citizens of Splendor have no intention of sharing their knowledge about the bank robbery which killed her only sibling. Alison knows her circle of lies can't end well, and her growing for Cash threatens to weaken the revenge which drives her. And the troubles are mounting.

There is danger surrounding them both: men who seek vengeance as a way to silence the past by any means necessary.

Survivor Pass is book five in the Redemption Mountain historical western romance series. It is a full length novel with an HEA.

Customer Reviews

As usual, Shirleen Davies has delivered another wonderful read. This one is exciting and suspenseful and a little steamy while still not so much that it needs a 18+ rating. I love that we get to see all of the intimacy between these characters without feeling like we are reading a Playboy article. Shirleen's characters are so colorful and easy to relate to. We have a new leading lady in this one who we haven't met before. Her name is Allie, and she is the sister of one of the men killed during a bank robbery in a previous book in the series. Allie is out for revenge on the man who shot her brother, so she moves to Splendor, sets up a dress shop, and starts asking questions, but she is having a hard time finding out who it was. Nobody wants to talk about the details, and they are starting to wonder why she is so interested in finding them out. Meanwhile, she is falling for Cash who just happens to be the one who shot her brother if you remember that from past books. He can tell that something just isn't right with her and the story she has been telling everyone, but he can't help the attraction he feels towards her. She is making new friendships with many of the townspeople who we have come to love in previous books in this series, and she is feeling worse and worse about her plans to kill one of them. There is also another threat from the outside of someone else who wants the same revenge. In side stories, we learn more about the lives of some of the other characters from previous books. Bull and Lydia's relationship is blooming. Beau and Caro are having problems because Caro still wants to continue her journey to California. Nick is getting frustrated with Suzanne not having any time to herself where he can court her. I think I got all of those names correct.

Cash Coulter settled into a life far removed from his days of fighting for the South and crossing the country as a bounty hunter. Now a deputy sheriff, Cash wants nothing more than to buy some land, raise cattle, and build a simple life in the frontier town of Splendor, Montana. But his whole world shifts when his gaze lands on the most captivating woman he's ever seen. And the feeling

appears to be mutual. But nothing is as it seemsâAlison McGrath moved from her home in Kentucky to the rugged mountains of Montana for one reasonâto find the man responsible for murdering her brother. Despite using a false identity to avoid any tie to her brotherâTM's name, the citizens of Splendor have no intention of sharing their knowledge about the bank robbery which killed her only sibling. Alison knows her circle of lies canâTMt end well, and her growing for Cash threatens to weaken the revenge which drives her. And the troubles are mountingâThere is danger surrounding them bothâmen who seek vengeance as a way to silence the pastâby any means necessary. The story was a good one, although I can say that it isn't my favorite of all the books I've read by Shirleen Davies. Both Alison and Cash were interesting people as far as the story goes. It would have been nice if they would have a bit more time courting, getting to know each other. That felt a bit weak. The attraction between them was there. It was great that the town was there to watch Cash's back and vice versa. The whole town became sort of like a family to each other. But it almost felt like Alison and Cash's story kind of got pushed aside a bit. There were just so many other people in the story that at times, it felt like a few too many.
