He Speaks To Me: Preparing To Hear From God

Synopsis

• When we approach God humbly and bow down before Him, we put ourselves in a position to hear from Him. • Are you longing to hear God's voice, but feeling disconnected? God wants to speak directly to each of His beloved children, not to just a few "spiritual elite." Priscilla Shirer looks at God's call to Samuel and uncovers six characteristics essential for hearing from God: A simple RELATIONSHIP, unfettered by sin or pride A single-minded WORSHIP, focused on God and His glory A set-apart HOLINESS, determined to live a life that honors Him A still ATTENTIVENESS, willing to be silent before Him A sold-out HUNGER, passionately pursuing God's presence A servant SPIRIT, submitted to God's call Her warmth and honesty, combined with a wealth of practical help, will inspire you to cultivate these traits in your own life. By doing so, you will prepare yourself to draw closer to Him and to hear His voice more clearly. NOTE: This ISBN is not a Study Guide

Priscilla Shirer is a gifted writer and has been anointed by God. I am grateful and blessed she has shared her insight, wisdom, with the gift God has given her. Priscilla's writing style is easy to read, personable, humorous and her points flow very naturally. She is so personable it feels like I know her as a sister and friend. She backs up her insights with scripture. The book is loaded with wisdom and practical application for one's daily walk with God. Likewise the truths are simple and easy to understand and follow. There are questions to reflect on and a prayer at the end of each

section. There were so many words and revelations that spoke to me, uplifted me, encouraged, convicted, humbled me and to get on my hands and knees and made me cry. God has spoken to me during this time and called me his daughter - "Daughter, your faith has healed you. Go in peace." The God of the universe wants to have a relationship with me and delights in me. This is awesome news! God has been teaching me a lot during the time I have read this book and Discerning the Voice of God. Some of the areas He is been teaching me is to wait and trust in Him. Let His plan be my plan and in obedience to follow Him. Surrender my day over to Him before I do anything else in the morning... Not because I feel I have to - but out of my love and respect for Jesus. Another critical area I learned was to battle the stronghold of negative thinking with the armor of God, using the helmet of salvation and the sword to the Spirit and His word. Our thoughts are one have the hardest areas to control. In the midst of reading this book - He has been revealing His character to me and speaking to me and it is awesome!
