Synopsis

He wanted a baby. I needed a man. Faith The first time I saw Jackson, I hated his guts. He was everything I could never have. Pure, panty-wetting, manhood. And I was trapped in a loveless relationship with his worst enemy. I never would have dreamed he craved my womb so badly he was willing to do anything for it. Jackson My father's death taught me a lot of things. Most importantly, I needed a child. I had to have a son before my enemies caught up with me. So when Faith came begging for protection, I knew exactly what I wanted. I yearned for her body. Lust raged through me like a wildfire. I longed to make her pregnant with my child. I gave her an offer she couldn't refuse. A life for a life. My protection, in exchange for everything she had to offer. I'd die for her, but she would give me a son. I took her womb. I never suspected she'd take my heart.

Customer Reviews

BAD BOY DADDY-A thrilling suspenseful romantic story. After reading all the reviews on both books by Chance I purchased ; due to the BAD reviews the books received. It was necessary for me to see why the awful reviews-so when reading I analyzed the books. (First and of utmost importance is that I loved both books; reviewing his first book). Some reviewers did not like-bad to the bone being stated-bad to the bone has many meanings-one is cocky, and Jackson was cocky but, a great

courageous character; some did not like the choice of words during romantic scenes; some male authors choose words we as woman do not like, but there was a strong convincing passionate chemistry between Jackson and Faith; a lot did not like the instant love factor; the attraction started at the beginning of the book and escalated on the second meeting; some thought Faith was a weak character when in fact she was sassy, intelligent and an excellent character; some did not like the fact that he was MIA for 12 years; but Jackson left Faith well protected with people he trusted and loved. Sometimes when reading a book reviewers tend to take words for their face value instead of looking for other meanings. What I did not like was the reviews done by ones that did not finish the book. You cannot make a complete opinion on something that you do not finish.....This book does portray true love and has exhilarating moments. (This is fiction fantasy and most anything goes). This story features; Jackson, a buffed, heart-stirring gorgeous, strong minded, bold man with a mission of protection; Faith a sassy, sapphire-eyed beauty on the run from a jealous boyfriend killer.
